鼓楼 (gǔ lóu )

The Drum Tower is located in the center of the ancient capital Xi'an, about 200 meters northwest of the Bell Tower at the intersection of four streets in the East, West, North and south of the Ming city wall. Built by Zhu Yuanzhang, the emperor of Ming Dynasty (1380), it is one of the largest and best preserved drum towers left over from ancient China. The eaves are covered with dark green glazed tiles. The building is pasted with gold and colored paintings, painted pillars and carved beams, and the top is covered with gilded roof. It is a landmark building in Xi'an.

In 1938, the National Beiyang Institute of Technology (now Tianjin University), the Private Jiaozuo Institute of Technology (now China University of Mining and Technology), the Engineering College of Beiping University, and the Engineering College of National Northeastern University (now Northeastern University) established the National Northwestern Institute of Technology in Hanzhong. In 1950, it was renamed Northwest Institute of Technology.

In 1952, the departments of aviation engineering at Jiaotong University, Zhejiang University, and Nanjing University established the East China Academy of Aeronautics in Nanjing. In 1956, East China Aviation University relocated to Xi'an and renamed it Xi'an Aviation University.

Northwestern Polytechnical University of Technology was established in Xi'an in October 1957 by the merger of Northwest Institute of Technology and the former Xi'an Institute of Aeronautics and Astronautics.

In 1970, the Aviation Engineering Department of Harbin Institute of Engineering was merged into Northwest Polytechnical University as a whole.

## About activities (20%)

1. This semester, based on students' time and actual situation, it is expected to have 3 cultural experience activities. Each student who participates at least twice will receive a full score of activity.

Undergraduate students with a final score of less than 60 can take the make-up exam in the second semester, while students who have not taken the final exam or make-up exam need to retake the course.

本科生期末成绩低于60分者可在第二学期参加补考，未参加考试或者补考的学生则需重修该课程。

Graduate students with a final score 59-45 are required to attend the make-up exam in next semester. Graduate students with a final score below 44 are required to retake this course in next year.

研究生期末成绩在59分-45分需重在下学期进行补考。成绩低于44分，没有补考，需要重修本课程。
